

Get Gushy!

### Cool Stuff We Found!

**GushyGrams** - Long story short: A super-awesome HG subscriber named Tina sent us a [GushyGram](#) that featured her own head and HG's head in an animated cartoon greeting and we FLIPPED. 46 GushyGrams later we were STILL giggling our faces off and having fun. You MUST check out [this super-easy-to-use, insanely adorable and creative site](#) that allows you to pop your own head and the heads of your friends and family into animated e-greetings. Pssst... There's an official Hungry Girl GushyGram on the way (it may take a few months -- be patient!). In the meantime, [click here](#) to see a GushyGram that features Hungry Girl in both real life and animated form!
